

Manhattan Beach Unified School District

Student Data Privacy

Fagen Friedman & Fulfroft LLP

Existing Federal Law

- Federal Educational Rights and Privacy Act (“FERPA”)
- Protects certain educational records from disclosure

Fagen Friedman & Fulfroft LLP

- How does this work in cloud environment?
- Third-Party vendor is “deputized” as school official.

- But how do you supervise this third-party vendor from a distance?
- FERPA says little.

California Fills the Gap:

- AB 1584 (Education code section 49073)
- Provides specific guidance to school districts for cloud-based services storing or using student data.

Fagen Friedman & Fulfrost LLP

- Applies to contracts entered into after January 1, 2015
- Four Key Provisions:
 1. Information continues to own and control student records.

Four Key provisions (cont.)

2. No third party use of information.

3. How students or parents can access records.

4. Notice of Breach.

Fagen Friedman & Fulfroft LLP
