TERM:

This agreement may be terminated by either party upon 30 day advanced written notice, provided current students in the teaching training program will be allowed to complete their training requirements until said terminated semester.

The SERVICES to be provided by District to State shall not exceed the Semester Units of Practice Teaching nor the Quarter Units of Practice Teaching, as set forth on the Master Teacher Data Sheet(s).

The State shall pay District for such services at the RATE AND AMOUNT of \$16.67 per quarter unit, and \$25.00 per semester unit, not to exceed the total payment as set forth on the Master Teacher Data Sheet(s).

GENERAL TERMS

1. The District shall provide to State University students teaching experience through practice teaching in schools and classes of the district not to exceed the units of practice teaching set forth in the Special Provisions. Such practice teaching shall be provided in such schools or classes of the District and under the direct supervision and instruction of such employees of the District, as the District and the State through their duly authorized representatives may agree upon.

The District may, for good cause, refuse to accept for practice teaching any student of the State University assigned to practice teaching in the District, and upon request of the District, made for good cause, the State shall terminate the assignment of any student of the State University to practice teaching in the district.

"Practice teaching" as used herein and elsewhere in this agreement means active participation in the duties and functions of classroom teaching under the direct supervision and instruction of employees of the District holding valid

life diplomas or credentials issued by the State Board of Education, other than emergency or provisional credentials, authorizing them to serve as classroom teachers in the school or classes in which the practice teaching is provided.

2. The State will pay the district for the performance by the District of all services required to be performed under this agreement at the rates set forth in the Special Provisions for each semester or quarter unit of practice teaching.

A semester unit of practice teaching for elementary and secondary schools is approximately twenty (20) minutes of practice teaching daily for five (5) days a week for eighteen (18) weeks. A quarter unit of practice teaching is two-thirds (2/3) of a semester unit. For community colleges and/or adult schools, it is a daily three (3) days a week for eighteen (18) weeks during regular session.

3. An assignment of a student of the State University to practice teaching in schools or classes of the District shall be, at the discretion of the State, either for approximately nine (9) weeks or for approximately eighteen (18) weeks, but a student may practice teaching in such school or classes.

The assignment of a student of the State University to practice teaching in the District shall be deemed to be effective for purposes of this agreement as of the date the student presents to the proper authorities of the District the assignment card or the other document given the student by the State University effecting such assignment, but not earlier than the date of such assignment as shown on such card or other document.

In the event the assignment of a student of the State University to practice teaching is terminated by the State University for any reason, the District shall receive payment for assignment for nine (9) weeks only. If a student is assigned by the State University to another teacher of the District after an assignment has become effective, this shall be considered for payment purposes as an entirely new and separate assignment.

Absences of a student from assigned practice teaching shall not be counted as absences in computing the semester units of practice teaching provided the student by the District.

4. Within a reasonable time following the close of each semester or quarter of the State University, the District shall submit an invoice, in duplicate, to the State University Accounts Payable Department for payment, at the rate provided herein, for all units of practice teaching provided by the District under and in accordance with this agreement during said semester or quarter. The District shall attach to the invoice a certificate, in duplicate, executed by a duly authorized representative of the District certifying that the District expended or became obligated to expend in providing such practice teaching and amount no less than the amount of the invoice. The State will pay the amount of such invoice from moneys made available for such purpose by or pursuant to the laws of the State.

5. Notwithstanding any other provisions of the agreement, the State shall not be obligated by this agreement to pay the District any amount in excess of the total sum set forth in the special Provisions.

6. The parties agree that District is not to assume nor shall it assume by this agreement any liability under the California Worker's Compensation Insurance and Safety Act for, by or on behalf of any State University students while under the performance of this agreement.
