## 2015-2016 Annual School Connected Organization Request for Authorization

Organization name: Mira Costa Football Boosters

### Brief description of the organization's purpose:

The football program does not receive any of the money from game ticket sales. The MCFB is a self-sustaining, parent-funded program that relies solely on parent donations and fund raising efforts to continue to fund the needs of the football program for Varsity, Junior Varsity and Freshman teams. The school only pays for the football helmets from their safety budget.

### Proposed fundraising projects and projected income (e.g. car washes, restaurant, discount cards, etc):

The football fundraising efforts for the 2015-16 year include banner sales, program ad sales, snack stand, discount cards and a silent auction at the Fiesta dinner in September. Please see detailed budgets for 2015, as attached.

Donation amount to be requested from each participant with explanation (please attach ask letter): \$325 letter attached

### Intended use for any remaining funds earned in the year and not spent:

We do not expect to have reserve funds, however, we have passing tournaments and other training events during the summer to prepare the athletes for the next season. Such funds will allow us to participate in more tournaments

### Intended use for reserve funds from prior years:

We intend to use any remaining funds at the end of any year to be put aside for uniforms for the next year. We purchased uniforms in 2014-15 season for a cost of \$21,000, so we will not be required to buy uniforms every year. We anticipate purchase of uniforms in the next year. However, we will have some replacement to purchase for 2015-16, depending on our review of the uniforms this summer.

If we do have additional funds they will go towards reducing the 26% 2015-2016 fundraising target and the purchase of instruments.

**Intended use for reserve funds from prior years:**

Due the number of fixed costs in our budget and the fact that we can't determine the exact number of students that will join and donate to band each year, the reserve fund provides a very small cushion to our budget if the enrollment is less than projected.
